C. Wilbraham Appointed Farewell Party For Chairman L.R.B. Rev. & Mrs. Richard

A Special Meeting of Local Ration Board No. E22 was held on Wednesday, June 20th in the Local Board office with the following members present: Mrs. J. A. MacKenzie, Mrs. P. M. King, Mr. C. Coleman, and Miss D. Peacock, Secretary.

Mr. C. Wilbraham, Secretary of Wainwright M.D. No. 61 was in attendance at the invitation of the Board and was duly nominated and elected to become a member.

The purpose of the Special Meeting was to appoint a Chairman for the Board Mr. H. U. Taylor having resigned due to a change of residence.

After some discussion it was moved by C. Coleman, seconded by Mrs. P. M. King that Mr. C. Wilbraham be appointed Chairman of Local Ration Board E22 subject to the approval of the Ration Administration, W.P.T.B.

As it was previously suggested by Mr. C. M. Scott, Liaison Officer, that a Deputy Chairman be appointed to act in the absence of the Chairman; it was moved by Mrs. P. M. King, seconded by Miss D. Peacock that Mrs. J. A. MacKenzie be appointed to act as Deputy Chairman for the Board, subject to the approval of the Ration Administration, W.P.T.B.

The serious shortage of children's underwear was discussed and it was suggested that a letter be written at a later date to the Wartime Prices and Trade Board requesting information on the situation.

There being no further business it was regularly moved by Mrs. MacKenzie - Mr. Coleman that the meeting adjourn.

Wainwright Cemetery Meeting

Quite a nice attendance was in evidence at the Town Hall on the evening of June 22nd, to participate in the discussions relative to the improvement of the Wainwright Cemetery Grounds. His Worship the Mayor called the meeting to order at 8:30 p.m. and in his remarks gave a brief outline of the reasons for which the meeting had been called.

Asking for nominations for a Chairman, the choice fell upon Mr. P. E. Wiley who ably presided throughout the meeting. Many and varied were the suggestions put forward but all were agreed that the matter of adequate fencing was of paramount importance while other improvements might follow in due order. An appointment of a subsidiary committee to work in conjunction with the Parks and Cemetery Committee of the Town Council met with favourable approval of those present and the following resolution was finally adopted by the meeting:

THAT WHEREAS, it is generally conceded that conditions prevailing at the present time in the Wainwright Cemetery Grounds are far from satisfactory, and that the condition of these grounds are in a neglected state of maintenance and WHEREAS, it is the opinion of this meeting, that a Subsidiary Committee appointed at this time, would be of assistance in this matter to work in conjunction with the Cemetery Committee of the Town Council, towards the general improvement of these grounds:

THEREFORE, be it resolved, that the following persons be appointed on this Committee: Messrs H. McCrystal, F. Zajic, A. F. Kohl and A. E. Snell

AND FURTHER, that this meeting recommends that a separate Trust Account be established by the Town Council for the purpose of segregating all monies received from the sale of plots in said Cemetery, together with all voluntary contributions, and that these monies be expended exclusively for the maintenance and beautification of these said grounds.

Before adjournment, the Chairman expressed the hope, that as an outcome of this meeting, we might expect a marked improvement in the present conditions prevailing at our local cemetery.—Con.

CARD OF THANKS

We wish to express our sincere appreciation to the Matron, Nurses and staff of the Wainwright hospital and to Dr. Middlemas for their kind and efficient services during Mr. Aykroyd's illness, also to the many friends for their expressions of sympathy in our sad bereavement.

MRS. FLORENCE AYKROYD & GEORGE

To bid farewell and Godspeed to Rev. A. D. Richard, pastor of Wainwright United Church and to Mrs. Richard, his charming wife, a large number of friends gathered in the Masonic Hall on Wednesday evening, June 20th.

Mrs. W. I. Harley, president of the Wainwright United Church W.A., received the guests who numbered between ninety and one hundred and included the congregations of all the churches served by Rev. Richard as well as many other friends.

After all the guests had assembled a number of games were thoroughly enjoyed, these being capably supervised by Messrs. H. T. Coutts, L. Mitchell and J. Mitchell. The games were followed by a rousing sing-song led by Mr. John Finlay and accompanied on the piano by Mrs. W. E. Clark, everyone present joining in most heartily and making the very rafters ring as voices were raised in a great number of familiar songs.

Following these enjoyable activities, everyone was ready for the very delicious and appetizing lunch served by the ladies, the tea being presided over by Mrs. Washburn and Mrs. Telford at a very tastefully decorated table.

Towards the close of the evening, Mr. L. W. Smith, Chairman of the Church Board, in a brief but eloquent speech, spoke feelingly of the many fine qualities of this cherished couple, who, after five years of strenuous service among us, are leaving soon to make their home in Edmonton. Mr. Smith touched upon the activities of Rev. Richard as a member of the Board of Trade and his earnest endeavor to improve and help Wainwright and District, also of his real and very keen interest in Boy's Work, a work in which he will be greatly missed. Mrs. Richard's many activities were also mentioned by Mr. Smith, the W.A., W.M.S., C.G.I.T. Red Cross, etc., being but a few of the organizations in which Mrs. Richard took a keen interest and a very active part. The ladies of this district will lose a very real friend upon the departure of Mrs. Richard.

A bouquet and purse were presented to the guests of honor by Mrs. Washburn on behalf of all of their friends. Rev. and Mrs. Richard spoke briefly but feelingly of their deep regret at having to leave their friends of Wainwright and District, but issued an invitation to all to visit them at their new home if ever the opportunity should arise.

This very pleasant evening was brought to a close at a late hour by all joining in singing "For they are Jolly Good Fellows" and "Auld Lang Syne"—Con.

Farm Notes

**PIGS NEED SHADE
TO MAKE GOOD GAINS**

A pig which receives a set-back in the weaning stage, from whatever cause, is a more expensive pig to raise than one kept in good health and growing condition from birth to market. A. J. Charnetaki, Live Stock Supervisor, states that a set-back pig will often require an extra hundred pounds of grain for each hundred pounds of gain. For example, a healthy pig under farm conditions will produce one hundred pounds of gain for every four hundred and fifty pounds of feed consumed. An unthrifty pig will require at least five hundred and fifty pounds of feed to make the same gain.

Sun scalding is a serious business in swine production. Sun scalded pigs, to reach market weight, require as much or more feed than do fall and winter pigs, and the present high price of grain makes it inadvisable to ignore this fact. A temporary pole and straw shade may be built cheaply in a hog run. It should be constructed on high, well drained, fresh ground. The south side may be much lower than the north side to provide more protection from the sun. A shade of this kind should not be used for more than two years, after which it may be dismantled and a new one built on fresh ground. Periodic change of location in this way will do much to prevent excessive dust accumulation and worm infections.

COUCH GRASS CONQUERED

Couch grass, formerly one of Alberta's most troublesome weeds, has been conquered by use of the one-way disc. By means of this implement the infested land is given a shallow cultivation which eliminates top growth and starves out weeds. The method is both economical and effective. In addition, the roots of the plant are left in the ground to decompose and add fertility to the soil.

Cultivation should start about the middle of June as stated by H. J. Mathier, Provincial Supervisor of Weed Control. The discs of the tiller must be sharp and the machine properly adjusted. If a heavy growth of grass is present the field should be mowed before cultivation. Six or seven operations with the one-way disc at intervals of two weeks will kill couch grass. In the year following the field should be seeded to barley at 2 to 3½ bushels per acre in order to crowd out weakened couch grass plants which might remain.

**GREEN FEED FOR
GROWING CHICKS**

Green feed is important for growing chicks. In this connection the Poultry Branch of the Alberta Department of Agriculture advises the sowing of a good green pasture plot, preferably alfalfa. The brooder house

should be moved frequently throughout the season to a new location in this green pasture. The pasture should be cut with a mower every week or so to promote fresh, tender growth.

**TIME TO TAKE FIRST STEPS
IN SWARM CONTROL**

Beekeepers are advised by W. G. Le Maître, Provincial Apiarist, to check their hives early in June to make sure that they do not become overcrowded. When a colony is occupying seven of the ten combs in the original brood chamber, a second brood chamber should be added.

Colonies build up very rapidly during June if proper food supplies are available. If once they become overcrowded preparations for swarming will be made. Given ample room to expand the brood nest and store food supplies, one of the prime causes of swarming is eliminated.

THE SCHOOL QUESTION

The notices are posted now proclaiming the fact that within a few days, if no vote is required, Wainwright School District No. 1658 will join with the Wainwright School Division No. 32.

Each year there has in the past been more and more town schools joined in to the larger school divisions, which is the ultimate goal for the whole province.

To Wainwright, this is a step in the right direction, as it will improve the educational standards for the town as well as the country children.

To the taxpayer, the question, how will it affect the taxes, is foremost in the minds of many. This question is only secondary to question of how much better will the education be. To be quite frank, it is not expected that it will cost the town taxpayer any more money than what it is now, but in the event that it does, what of it, when a better education is the direct result and better citizenship is the indirect result and long term view.

With Wainwright as the centre of the division, there is a very definite need for dormitory accommodation, which in all probability will be located in the town. If Wainwright does not take this opportunity to have a dormitory built here it will mean a lot less in our pockets in the long run.

It is contemplated by the school division to have one started as soon as conditions are ready for same. It is hoped in some circles to have one started by this fall.

In comparing the cost per student for the province as a whole, in a dormitory a student can live for approximately \$15.00 per month, and we all know what it would cost in any other form of living.

Last term there were nearly 20 students that had to go out of the district to receive the type of education that they chose. Our main lack in education, is no commercial courses are offered by our town school, meaning to some people that it is necessary to obtain it out of town.

This will be put into effect as soon as the necessary machinery is set up for the courses. Also the shop and domestic science classes will no doubt have to be larger, giving everybody a fair chance at becoming proficient along these lines.

After pointing out the benefits that are to be gained by joining the division, it is inconceivable that a vote should be necessary, but in the event that it is, everybody should go to the polls and mark their ballot X on the YES line and have peace of mind that they did their duty in lifting the standards of education of our youth of to-day and our citizens of tomorrow.

If anyone feels that they would like to comment on this important question, The Star invites any criticism, views or questions, via the Letter Box.

THE PUBLIC MEETING - re: CEMETERY

This editorial is headed wrongly, but that is what it was called so we will keep it at that. When a public meeting is called, for such a thing as to decide what to do about the conditions of our cemetery, and only 25 persons turn out, it is a sure sign of lack of interest.

However those 25 people were interested enough to turn out and express their thoughts, and wishes, and considering such a small gathering, a great deal was accomplished.

As noted elsewhere in these columns, a committee has been formed to inquire into the matter of fencing and other necessary improvements that are needed. This committee will, no doubt have a large task ahead of them and it won't be easy work, but they are due much credit for taking on a task that will be slow and tedious to accomplish.

Hints for the Household

SHORTCUT SHORTCAKES

A rich fruity shortcake always touches the spot. Some like it "as is". Others always reach for the cream pitcher. But we all like this old-fashioned cake that is served in such liberal portions.

Here's a new-fashioned recipe for your old favorite:

Shortcut Shortcakes

2 cups sifted cake flour; 3/4 teaspoon double-acting baking powder; 3/4 teaspoon salt; 2 tablespoons sugar; 2 tablespoons cold shortening, cut in small pieces; 1 egg, well beaten; 1/3 cup milk; 1 to 1 1/2 quarts fruit, crushed and sweetened.

Sift flour once, measure, add baking powder, salt, and sugar, and sift together three times. Cut in pieces of shortening, using pastry blender or finger tips until mixture is as fine as meal. Combine egg and milk; add all at once to flour and stir until mixture forms a soft dough. Turn out on lightly floured board and knead gently 15 times. Shape and roll in 6x8-inch rectangle. Cut crosswise in half, then lengthwise in thirds or fourths. Bake on ungreased baking sheet in hot oven (425°F.) 18 minutes, or until done.

Split hot shortcakes and spread with softened butter. Put together with crushed fruit between halves and on top. Makes 6 to 8 shortcakes.

RECIPES FOR SUPPER DISHES FEATURE HARD-COOKED EGGS

Egg Quickies

1/3 cup chopped onion
 1 1/2 tablespoons mild-flavoured fat
 3 cups soft bread crumbs
 1/2 cup milk
 6 hard-cooked eggs, finely chopped
 1/2 teaspoon salt
 1/2 teaspoon celery salt
 2 tablespoons chopped parsley
 2 tablespoons mild-flavoured fat
 Brown onion lightly in fat. Add bread crumbs and milk. Stir and cook slowly until thoroughly blended, about 2 minutes. Add hard-cooked eggs, salt, celery salt and parsley. Spread on a plate to cool. Shape into 12 patties. Sauté in fat until brown on both sides. Six servings.

Green Beans and Eggs

2 1/2 cups fresh green beans (or 1 can)
 2 tablespoons mild-flavoured fat
 3 1/2 tablespoons flour
 1 cup milk
 1/2 cup vegetable liquid
 4 hard-cooked eggs sliced
 Salt and pepper
 1 cup soft bread crumbs
 2 teaspoons mild-flavoured fat
 Cook and drain fresh beans; drain canned beans, saving liquid. Boil down liquid to 1/2 cup. Melt fat in top of double boiler, add flour and mix well. Add milk and vegetable liquid gradually, and cook stirring constantly until mixture thickens. Add beans and sliced eggs, and season with salt and pepper to taste. Reheat. Meanwhile lightly brown bread crumbs in fat. Turn bean and egg mixture into serving dish and cover with browned crumbs. Six servings.

Barbecued Eggs

1/2 cup chopped onion
 1/2 cup mild-flavoured fat
 1/2 cup catsup
 2 teaspoons prepared mustard
 OR 1/2 teaspoon horseradish
 1 1/2 tablespoons vinegar
 1/2 cup water
 1/2 teaspoon salt
 6 hard-cooked eggs
 Brown onion in fat. Add remaining ingredients, except eggs, and simmer together for 10 minutes. Cut hard-cooked eggs in half. Add to sauce and simmer 5 minutes. Serve hot on cooked spinach or shredded lettuce. Six servings.

QUICK CAKES PERFECTED

At last—a method of cake mixing that saves time and still produces cakes that are richer and keep fresh longer—cakes with a texture you'll be proud of. Line up this recipe with one of your old timers and see the advantages—no creaming—no beating of eggs—only two sittings of flour—no alternate adding of dry ingredients and liquid. Try it and be convinced.

Quick Fruit Sauce Cake

Preparations:
 Have shortening at room temperature. Grease 9x5x3-inch loaf pan, line bottom with waxed paper, and grease

again. Start oven for moderate heat (350°F.). Sift flour once before measuring.

Measure into Sifter:
 2 cups sifted Beans Down Cake Flour
 2 teaspoons double-acting baking powder
 1/2 teaspoon salt
 1/2 teaspoon soda
 1/2 teaspoon cinnamon
 1/2 teaspoon cloves
 1/2 teaspoon allspice
 1 cup sugar
 Measure into bowl:
 1/2 cup vegetable shortening
 Measure into cup:
 1/2 cup sweetened apple sauce or rhubarb sauce
 1 teaspoon vanilla

Have ready:
 2 eggs, unbeaten
 1/2 cup cut raisins
 1/2 cup chopped nut meats

Now the "Mix-easy" part
 Mix or stir shortening just to soften. Sift in dry ingredients; add 1/2 of sauce with vanilla and the eggs. Mix until all flour is dampened; then beat 1 minute. Add remaining sauce, raisins, and nuts; blend and beat 2 minutes longer. (Count only actual beating time or strokes per minute. Scrape bowl and beater or spoon often.)

Baking
 Turn batter into pan. Bake in moderate oven (350°F.) 1 hour and 15 minutes, or until done. Spread with your favorite icing.

NOTE: Mix cake by hand or at low speed of electric mixer.

Confirmation at Blessed Sacrament Ch.

On Sunday, June 24th Most Reverend J. H. MacDonald, Archbishop of Edmonton visited Blessed Sacrament Church to administer the sacrament of confirmation to forty-four boys and girls of Wainwright and the missions attached to this parish.

The Archbishop was met at the door of the church by Reverend Father Ehmman, with attending sanctuary boys, and conducted to the sanctuary. The sacrifice of the mass was offered by the Archbishop, and then followed the examination and confirming of the candidates. Do You know

Peace will come to stay when nations give their heart instead of saving face.

It takes less effort to shake hands than to shake our fists. And it gives better results.

The answer to inefficiency isn't to fire a man from his job but to fire him for it.
